<b>Faculty of Engineering</b>						
a. Bachelor of Civil Engineering - Structures (Honours)	BCES	Full time	5 years	MWK 900,000.00, SADC USD 2,400, NON-SADC USD4000,	Year 2 or Year 3	Diploma in Civil Engineering or relevant engineering field and science plus two years relevant experience and in addition, MSCE with additional credits in English, Mathematics and Physical Science or general science. For entry into year 3, candidates must have a UNMA Diploma in Civil Engineering and two years of relevant post diploma experience.

b. Bachelor of Civil Engineering -Transport (Honours)	BCET	Full time	5 years	MWK 900,000.00, SADC USD 2,400, NON-SADC USD4000,	Year 2 or Year 3	Diploma in Civil Engineering or relevant engineering field and science plus two years relevant experience and in addition MSCE with credits in English, Mathematics and Physical Science or general science. For entry into year 3, candidates must have a UNMA Diploma in Civil Engineering and two years of relevant post diploma experience.
c. Bachelor of Civil Engineering - Water (Honours)	BCEW	Full time	5 years	MWK 900,000.00, SADC USD 2,400, NON-SADC USD4000,	Year 2 or Year 3	Diploma in Civil Engineering or relevant engineering field and science plus two years relevant experience and in addition, MSCE with credits in English, Mathematics and Physical Science or general science. For entry into year 3, candidates must have a UNIMA Diploma in Civil Engineering and two years of relevant post diploma experience.
d. Bachelor of Electrical and Electronics Engineering (Honours)	BEEE	Evening Classes	5 years	MWK 900,000.00, SADC USD 2,400, NON-SADC USD4000,	Year 2 or Year 3	Diploma in Electrical Engineering or advanced City and Guilds Diploma in Electrical Engineering plus two years relevant experience and in addition, MSCE with credits in Mathematics and Physical Science or general science. For entry into year 3, candidates must have a UNIMA Diploma in Electrical and Electronics Engineering and two years of relevant post diploma experience.
e. Bachelor of Electrical and Telecommunication Engineering (Hons)	BETE	Full time	5 Years	MWK 900,000.00, SADC USD 2,400, NON-SADC USD4000,		Diploma in Telecommunication Engineering or advanced City and Guilds Diploma in Telecommunication Engineering plus two years relevant experience and in addition MSCE with credits in English, Mathematics, and Physical Science or general science. For entry into year 3, candidates must have a UNMA Diploma in Telecommunication and two years of relevant post diploma experience
f. Bachelor of Electrical and Computer Engineering (Hons)	BECE	Full time	5 Years	MWK 900,000.00, SADC USD 2,400, NON-SADC USD4000,		Diploma in computer Engineering or advanced City and Guilds Diploma in computer Engineering plus two years relevant experience and in addition MSCE with credits in English, Mathematics, and Physical Science or general science. For entry into year 3, candidates must have a UNMA Diploma in computer Engineering and two years of relevant post diploma experience

g. Bachelor of Biomedical Engineering (Hons)	BBME	Full time	5 years	MWK 900,000.00, SADC USD 2,400, NON-SADC USD4000,	Year 2 or Year 3	Diploma in Electrical Engineering or advanced City and Guilds Diploma in Electrical Engineering plus two years relevant experience and in addition MSCE with credits in English, Mathematics, Biology and Physical Science or general science. For entry into year 3, candidates must have a UNIMA Diploma in Biomedical Engineering and two years of relevant post diploma experience
h. Bachelor of Mining Engineering (Hons)	BMEN	Full time	5 Years	MWK 900,000.00, SADC USD 2,400, NON-SADC USD4000,	Year 2	For entry into year 2, candidates must have a Diploma in Civil Engineering or Mechanical Engineering or other science-related field and two years of relevant post diploma experience. For entry into year 2, Candidates must have a Diploma in Mining Engineering or relevant engineering field or other science-related fields from an accredited university, in addition to MSCE with credits in Mathematics and Physical Science or general science
					Year 3	For entry into year 3, candidates must have a Diploma in Mining Engineering from an accredited University with 2 years of relevant post diploma experience, in addition to MSCE with credits in Mathematics and Physical Science or general science.
i. Bachelor of Geological Engineering (Hons)	BGEN	Full time	5 Years	MWK 900,000.00, SADC USD 2,400, NON-SADC USD4000,	Year 2 or Year 3	For Entry in year 2, candidates must have BSc and Diploma in engineering fields other than Geological, Civil and Mechanical Engineering and any other science-related fields but must attend and pass Drawing 1 and 2, and Computer Programming. For entry in year 2, Candidates must have a Diploma in Geological Engineering or relevant engineering field or other science-related fields from an accredited university, in addition to MSCE with credits in Mathematics and Physical Science or general science.  For Entry into year 3, candidates must have BSc in Civil or Mechanical Engineering and Diploma in Geological Engineering with 2 years of relevant post diploma experience. For entry into year 3, candidates must have a Diploma in Geological Engineering from an accredited university, with 2 years of relevant post diploma experience, in addition to MSCE with credits in Mathematics and Physical Science or general science
